Apartment For Sale in Altea Hills

This corner apartment, completely renovated with top materials has lots of light, and is very tastefully decorated.

The spacious living room in L-shape, has an open kitchen with island, and access to a large terrace. There are 3 double bedrooms, 2 with ensuite showerrooms and a guest toilet.

A nice extra is the roof terrace. All terraces are covered with wooden floors.

The timeless furniture fits perfectly.

The building has a beautifully maintained garden with swimming pool.

Altea Hills, one of the most prestigious urbanisations on the Costa Blanca, has a 24-hour security system.

Only 5 mins. drive to the supermarket and the marina Marine Greenwich, 10 mins to the center of Altea, and only 35 mins to Alicante airport.

Optionally there is a very spacious parking-place in the ground-floor of the building, where a large car, bicycles and motorbike fit easily.
