New Build For Sale in Moraira

The villa is located in a landscape consisting of green slopes and a panoramic view of the sea.

On the ground floor there is a living / dining room with open kitchen, guest toilet and bedroom with dressing room and bathroom en suite.

On the first floor there are 3 bedrooms and 2 bathrooms, 1 of which is en suite.

The design of the villa is an avant-garde design inspired by the sea, its creatures and its sailors.

The house stands out for its curved geometry, this shape provides a fluidity in the functionality so that from the entrance you can access the day and night areas, each facing the sea.

The large windows have cornices to control the sunlight.

The villa is integrated with the natural landscape, starting from the mountains and the sea and through the garden and infinity pool.
