The exclusive urbanisation has 24-hour private security with video cameras and guards and an ultra-modern restaurant. Only 5 minutes away by car you can enjoy the many services Benidorm has to offer. The residence consists of large landscaped plots with modern houses and independent swimming pools. All villas have their main facade facing south and have very large windows that allow natural light to enter throughout the day. The luxury open plan property has an integrated kitchen in the living-dining room with beautiful garden views. The upstairs bedrooms have a south facing terrace. Of the 3 bathrooms, those on the first floor are integrated into the bedrooms, while the bathroom on the ground floor is independent and has a discreet space for the washing machine and dryer.
