

Sales class: **Resale**
Property type: **Land**
Bedrooms: **4**
!banos: **4**

Swimming pool: **Yes**
Views: **Sea views**

House area: **312.00 m²**
!sup_parcela: **1710 m²**

The plot is sold with an approved project including planning permission. The property was specially designed by the renowned architect Ramón Gandía Brull and fits perfectly in this fantastic location. The project has a total of 4 bedrooms, 3 bathrooms, an open plan kitchen, lounge and bedroom on one floor with direct access to the terrace and pool. In total 309m² built area. You can of course follow the original project, but you can also pass on changes to fully and perfectly adapt the final project to your liking. It concerns 2 adjacent building plots with existing reports; - Soil research - Sewerage research - Topographical plan
