✓ Terrace ✓ Jacuzzi ✓ Airconditioning

This stunning villa offers a spacious and bright living/dining area, a fully equipped open kitchen, 3 spacious bedrooms, and 3 modern bathrooms. The property was completely renovated in 2021 and includes amenities such as heat pump heating, solar panels for renewable energy, and air conditioning. The uncovered terraces offer spectacular views of the Mediterranean Sea while the covered terraces provide the perfect opportunity to relax outdoors. Additionally, it features a private jacuzzi, underground cellar ideal for storing select wines or creating additional relaxation space; as well as its own parking with capacity for up to three cars.
