The residence has been designed to capture the views of the Sierra Cortina and the Mediterranean Sea from every angle. The villas are characterized by wide spaces that connect perfectly both inside and outside and with special attention to the selection of materials. On the ground floor is a living / dining room with open kitchen, 1 bedroom and 1 bathroom. From the living room you have access to the terrace and swimming pool. On the first floor we find 2 bedrooms with en suite bathrooms and access to an open terrace. The price of these villas starts from 545,000 €. Depending on the model, also has a basement and an inside garden, providing additional spaces and various possibilities to customize the home according to your tastes and needs. In addition, there are various options of extras, which are offered to adapt the house to your lifestyle.
