This beautiful 18-hole golf resort is open all year round, so enjoy the mild climate with 320 days of sunshine a year. The golf resort is a closed whole with beautifully landscaped gardens and a swimming pool. In addition to golf, there is plenty to do in the area, the huge coastal strip with its beautiful beaches and many cozy coastal towns. The golf resort also has all kinds of amenities such as a supermarket, catering, pharmacy, English bowling green and paddle tennis. The penthouses, suitable for both permanent residence and rental, are available with 2 or 3 bedrooms. The master bedroom has an en-suite bathroom. The living room has, due to its location, a beautiful light. There is a beautiful view of the private garden and the beautifully landscaped courtyard. The solarium is a lovely private sun terrace.
